

A Project by **TRANQUIL**

A TRANQUIL SANCTUARY
with an URBAN LIFESTYLE

WELCOME *to* DUBAI

A vibrant city, Dubai is renowned for its iconic skyline, world-class infrastructure and cosmopolitan culture, making it a beacon of progress in the Middle East and beyond. The city's robust economy, pro-business policies, tax incentives, foreign ownership rights and streamlined regulations make investing easy and attractive, offering a unique opportunity to be part of its dynamic growth. A potpourri of cultures, Dubai is a world in the world - a destination where you can live your dream now.

HOMES THAT
REFLECT *your*

TRANQUIL

Founded by a visionary team of industry veterans, Tranquil Infra Developers is at the forefront of reshaping Dubai's skyline. As a boutique developer, we focus on creating exclusive, niche projects that exemplify quality, innovation and sustainability, delivering exceptional value for investors and enhancing the communities we serve. At Tranquil, we don't just build homes; we craft lifestyles.

Committed to creating peaceful havens amidst the bustling cityscape, our residential projects blend cutting-edge design with unparalleled craftsmanship, setting new benchmarks for refined living.

THE HEART *of* EMERGING DUBAI

Nestled within the heart of Dubai, Jumeirah Village Circle is a community known for its harmonious blend of convenience, culture and connectivity. At District 17, JVC, you'll discover a beautiful, self-contained environment, blending all the modern facilities of a city with the tranquillity of a village setting.

BLOSSOM76: IT'S WHERE *you* BELONG

When designing Blossom76, no expense was spared in creating a building that was exceptional, both inside and out. Rising majestically amidst the city skyline, this architectural masterpiece in **District 17, JVC**, boasts a regal stature of **Ground (Retail) + 4P + 16 + RF, adorned with 111 exclusive residences**. From exquisite studios to palatial 2-bedroom suites featuring private plunge pools, each dwelling is a testament to unrivalled grandeur.

Finished with high-quality claddings and glass, the innovative design simply exudes class. Most of the apartments enjoy excellent views of the community and surroundings through large-picture windows.

LUXURY *in* EVERY DETAIL

Once you step into the apartments at Blossom76, you will appreciate how much has been invested into creating an environment that is truly out of the ordinary. Each apartment is a masterpiece of high design, exemplary standards and finishes. The apartments feature a modern open-plan layout, giving a real sense of spaciousness to the living areas. Using only the finest finishes, the apartments are beautifully appointed with contemporary floorings and stylish fittings. The fully-fitted kitchens and master bathrooms come with exquisite fittings, on par with international standards. It's a dream home designed for the ultimate in urban living.

Disclaimer: 1. All room dimensions are measured to structural elements and exclude wall finishes and construction tolerances. 2. All dimensions have been provided by our consultant architects. 3. All materials, dimensions and drawings are approximate. Information is subject to change without notice. 4. Actual suite area may vary from the stated area. Drawings not to scale. the developer reserves the right to make revisions. 5. Calculation of suite area is measured as the area bounded by the centre line of demising or partition walls separating one unit from another unit, the exterior face of all exterior walls, and the exterior face of the corridor wall enclosing the adjoining unit. 6. Calculation of balcony area is measured as the area bounded by the centre line of demising or partition walls separating one unit from another unit, the outmost face of the enclosing guard and the external face of the adjoining balcony. 7. The units are measured on a typical floor in the building. Columns may vary in size depending on the floor level. 8. For each unit type, unit sizes and details might be slightly different. Please refer to the sales and purchase agreement for the actual size of each specific unit.
