

# FACTSHEET

CRYSTAL RESIDENCES

## DESCRIPTION

Overlooking the picturesque Arabian Gulf, the Crystal Residences is a well-crafted 12-storey structure that is strategically situated on the magnificent Maryam Island beachside community. Featuring a range of luxurious townhouses and apartments with one to four bedrooms, the design and structure of the residential property is guaranteed to offer the most tranquil living atmosphere to its residents.

This finely designed structure accentuates on fostering a vibrant, contemporary lifestyle while encapsulating the true meaning of comfort, with its upscale amenities and a prime waterfront location boasting breath-taking views.

A designated swimming pool, a children's pool, a play area, gym, and a podium deck level garden houses are among the elegant amenities offered to its residents. The building also provides convenient access to a variety of food and beverage establishments, parks, and gorgeous landscaped spaces.

Freehold Ownership for all nationals.

## ARCHITECTURAL HIGHLIGHTS

With a resort-style luxury living experience along the waterfront promenade, Crystal Residences extends a sense of warmth and comfort to its residents, tucked away from the bustle of the city. Even the intricate details of the building have been curated with precision, especially the architectural features, which are designed in a way to provide the outdoor spaces with natural shading throughout the summer. At Crystal Residences, every unit has been meticulously designed to combine the highest levels of elegance and sophistication.
