New Upcoming Project

by Peace Homes Development

Secure Your Future
with Investments in a World of Limitless Potential

Dubai is a super-fast growing place with lots of business opportunities. It's in a great spot for trade with Europe, Africa, and Asia. People from all over the world, especially entrepreneurs and professionals, like to come here. Dubai will host Expo 2020, a big event for the Middle East, Asia, and Africa.

Besides being a business hub, Dubai is also a top tourist spot. Families can enjoy fun places like theme parks and huge malls. Adventure lovers have plenty to do, and if you like a relaxed life, there are fancy hotels, cute cafes, and beautiful beaches. Dubai has something for everyone!

Jumeirah Village Circle

Where Dreams Blossom, Lives Flourish

Jumeirah Village Circle (JVC) in Dubai is a fantastic neighborhood where you can find modern homes and apartments. It's not too crowded, and there are parks and schools close by, making it a great place to live. The community is designed for people who want a peaceful home but still want to be near important places in Dubai. With a mix of modern living and green areas, JVC offers a comfortable and enjoyable lifestyle.
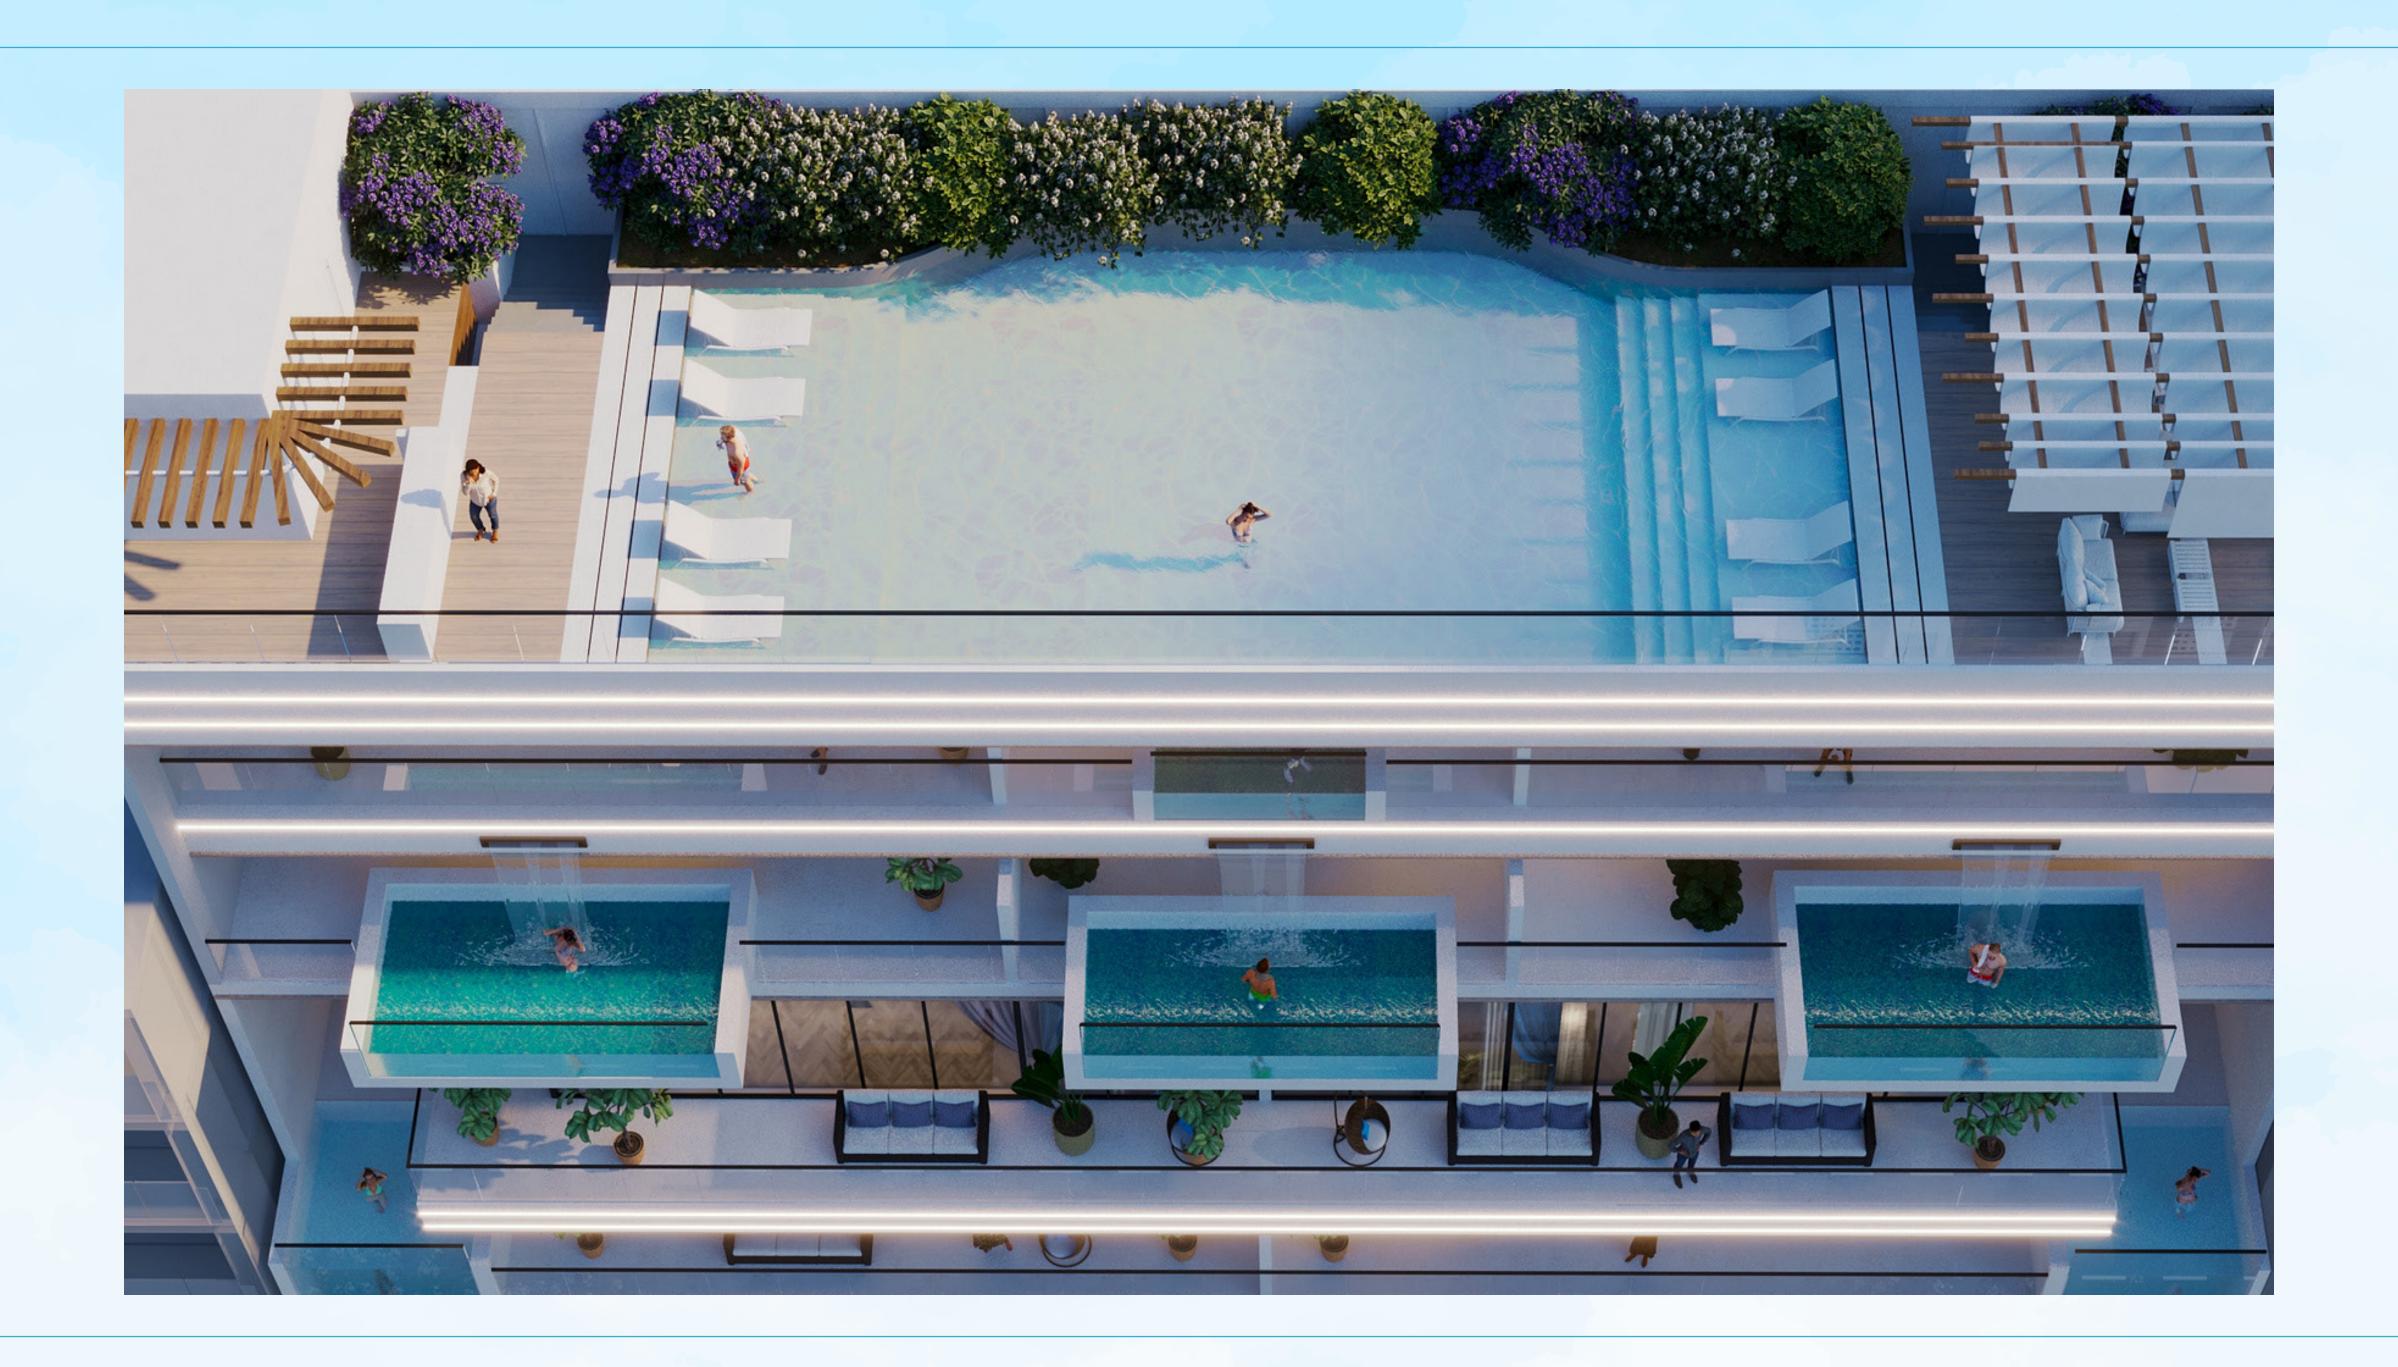

Located in the heart of the city, JVC is strategically positioned for easy access to key destinations in Dubai. It's a peaceful retreat from the busy city life, with a thoughtful design that includes parks and recreational facilities. JVC provides a balanced and fulfilling way of life, combining the best of Dubai's cosmopolitan vibe with a serene living experience.

New Upcoming Projcet

Discover a new standard of luxurious living

New Upcoming Project by Peace Homes Development in Jumeirah Village Circle—a pinnacle of luxury living. This visionary project offers meticulously designed studios, 1- and 2-bedroom apartments, each featuring exclusive private pools amidst cascading waterfalls, creating a tranquil retreat. Livings stands out with its innovative open cinema space, fostering community engagement in the heart of this urban oasis.

Beyond architectural splendor, these homes represent a harmonious blend of modern design and natural elements, providing residents with a lifestyle that seamlessly combines sophistication and relaxation. With a commitment to redefining urban living, Livings promises an unparalleled living experience where every detail reflects a dedication to elevating the quality of life.

New Upcoming Project Roof Top

Discover a new standard of luxurious living

Elevate your lifestyle at Livings rooftop oasis, where breathtaking views and family gatherings converge in a harmonious blend of luxury and leisure. Perched atop this architectural gem in Jumeirah Village Circle, the rooftop offers panoramic vistas that paint the skyline with a tapestry of colors during sunrise and sunset. This captivating backdrop transforms every moment into a picturesque experience.

Designed with family in mind, the rooftop at Livings is more than just a poolside escape—it's a dedicated space for creating lasting memories. The family get-together area is thoughtfully crafted, providing a perfect setting for shared laughter, celebrations, and quality time. Whether you're soaking in the sun by the pool, enjoying a refreshing dip, or savoring a meal with loved ones against the backdrop of the cityscape, the rooftop at Livings is a haven where every day feels like a special occasion. Immerse yourself in the serenity of the surroundings, and let the rooftop become the backdrop for the moments that matter most. Livings brings together the elements of luxury, family, and breathtaking views to redefine the essence of home.

New Upcoming Project Water Falls

Step into a realm of extraordinary living at New Upcoming Project

Our apartments redefine luxury with a unique feature – cascading wow waterfalls that flow seamlessly into private pools. These exclusive residences elevate the concept of opulence, offering a captivating blend of architecture and nature. Imagine lounging in your own oasis, where the soothing sound of water accompanies every moment, creating an ambiance that transcends the ordinary. These specially crafted apartments at New Upcoming Project not only showcase innovation in design but also bring the enchantment of cascading waterfalls into the very fabric of daily life, turning each dip in the pool into a truly immersive and extraordinary experience.
