BEACH RESIDENCES

Esmé Beach Residences inspires and invigorates with its unique focus on multidimensional well-being, its luxurious amenities, and spacious, elegant apartments. Situated on Island A of the prestigious Dubai Islands, residents embrace a sophisticated, vibrant, beach-city living experience that focuses on time spent with family and friends.

Why Dubai Islands?

- Live in a stunning family-oriented community, housing its own marinas, golf courses, and mall
- Benefit from an exceptional location and superior living standards
- Enjoy quick connections and easy access to major Dubai attractions via the new bridge
- Capitalize on excellent infrastructure, reliable investments, and major capital appreciation as the island continues to develop
- Take advantage of the route to the Golden Visa

Spacious Architecture That Lets You Breathe

The building's wavy façade is a striking feature of its contemporary architecture. Each floor plan provides maximum space and privacy, distinguishing the offer from other developments in the area. With flawless craftsmanship, rich details, unique amenities that prioritize multidimensional well-being, and elegant finishes of natural stone and porcelain, life at Esmé Beach Residences is beyond compare.

Unit Types

Esmé Beach Residences offers 109 units that cater to households and families of varying sizes. Each unit benefits from its own terrace, designed to ensure total privacy. From Floor 6 and above, the panoramic sea views inspire.
