Now in Dubai

Hello Dubai

Dubai is a vibrant city with a unique blend of modernity and tradition. Home to the well-travelled locals, expats and lavish lifestyles, in recent years, the city has begun to embrace the importance of conscious, healthy living; ever searching for new ways to weave wellness into everyday life.

A woman with long, dark, wavy hair is crouching on a stone ledge next to a small, shallow pond. She is wearing a white, short-sleeved, button-down shirt tucked into a light-colored, pleated skirt. Her right hand is reaching down towards the water, and her left hand is resting on her hip. She is looking upwards and to the right with a serene expression. The background is a lush garden with various green plants and trees. The overall atmosphere is peaceful and natural.

A woman with long blonde hair, wearing a white sleeveless dress, stands in a circular swimming pool. She is facing away from the camera, looking towards a lush garden with a large weeping tree and a stone path. The scene is bathed in warm, golden light. A large, semi-transparent brown circle is overlaid on the right side of the image, containing the text 'The Story'.

The first thing that'll catch your eye as you enter the community is an iconic treehouse overlooking this serene oasis. Integrated and built around a beautiful old tree, it features a spacious, multi-levelled community lounge. Perfect for productive mornings in the coworking lounge or laid-back afternoons with family and friends in the social space.

A digital rendering of a modern landscape at sunset. In the foreground, a family of three—a man, a woman, and a small child—walks along a wide, curved, metallic-looking path that reflects the golden light. To the right of the path is a calm body of water, possibly a pond or a slow-moving stream, bordered by dark, jagged rocks. The water reflects the sky and the surrounding trees. The background features a multi-story modern building with large glass windows and balconies, partially obscured by a dense grove of tall palm trees and other tropical vegetation. The sun is low on the horizon, creating a strong lens flare and casting long, soft shadows. The overall mood is peaceful and serene.
