DESIGN THAT SHAPES THE SKYLINE

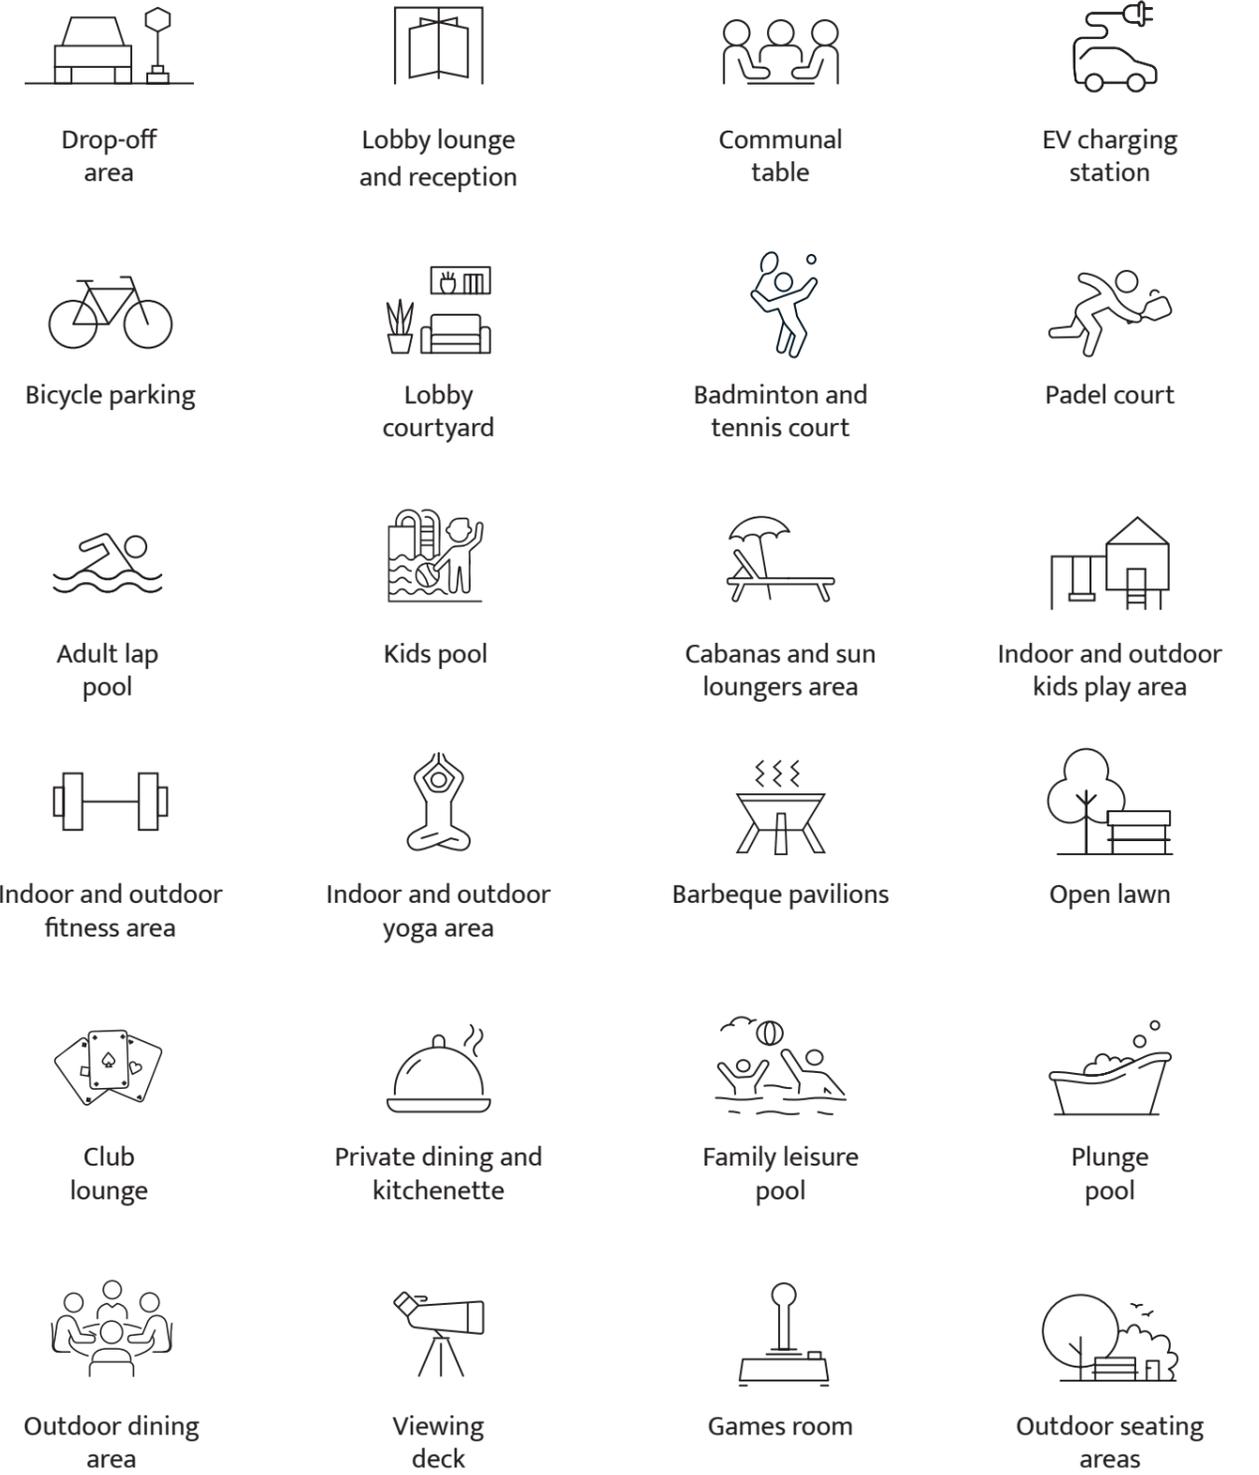

Drawing inspiration from Miami's coastal modernism, Soto Grande's design balances horizontals and verticals in a sculptural rhythm. Two distinct towers rise gracefully, linked by an architectural bridge between the sixth and tenth floors. This bridge is more than a connector; it is a statement of movement and harmony, a symbol of renewal within Ras Al Khaimah's evolving skyline.

With 602 residences ranging from studios to four-bedroom penthouses, Soto Grande combines refined architecture, thoughtful amenities, and expansive views into a community shaped for modern living.

LOBBY & LOBBY LOUNGE

The arrival experience at Soto Grande sets the tone for the residences within. A sculpted lobby with double-height ceilings, curated art, and a central living tree creates an atmosphere of openness and calm. The adjoining lounge extends this welcome with hotel-inspired furnishings, Ellington's signature fragrance, and discreet concierge services. Together, they form a refined social space, equally suited for quiet moments or relaxed gatherings.

CLUBHOUSE

The clubhouse is a warm and versatile space overlooking the pool and landscaped gardens. Designed for residents to gather and share moments, it features a kitchen lounge, private dining area, and entertainment kitchen, settings that make everyday life more social, inviting, and connected.

YOGA STUDIO

Designed as a sanctuary of focus and restoration, the yoga studio is minimalist yet warm. Flooded with natural daylight and complemented by a refreshment bar, it provides the perfect environment for mindfulness, balance, and rejuvenation.

FITNESS STUDIO

The double-height fitness studio combines energy and design, offering state-of-the-art equipment and zoned workout areas curated by performance specialists. A sculptural obstacle course brings playfulness into training, while floor-to-ceiling windows frame views of the pool and landscaped grounds, energizing every session.

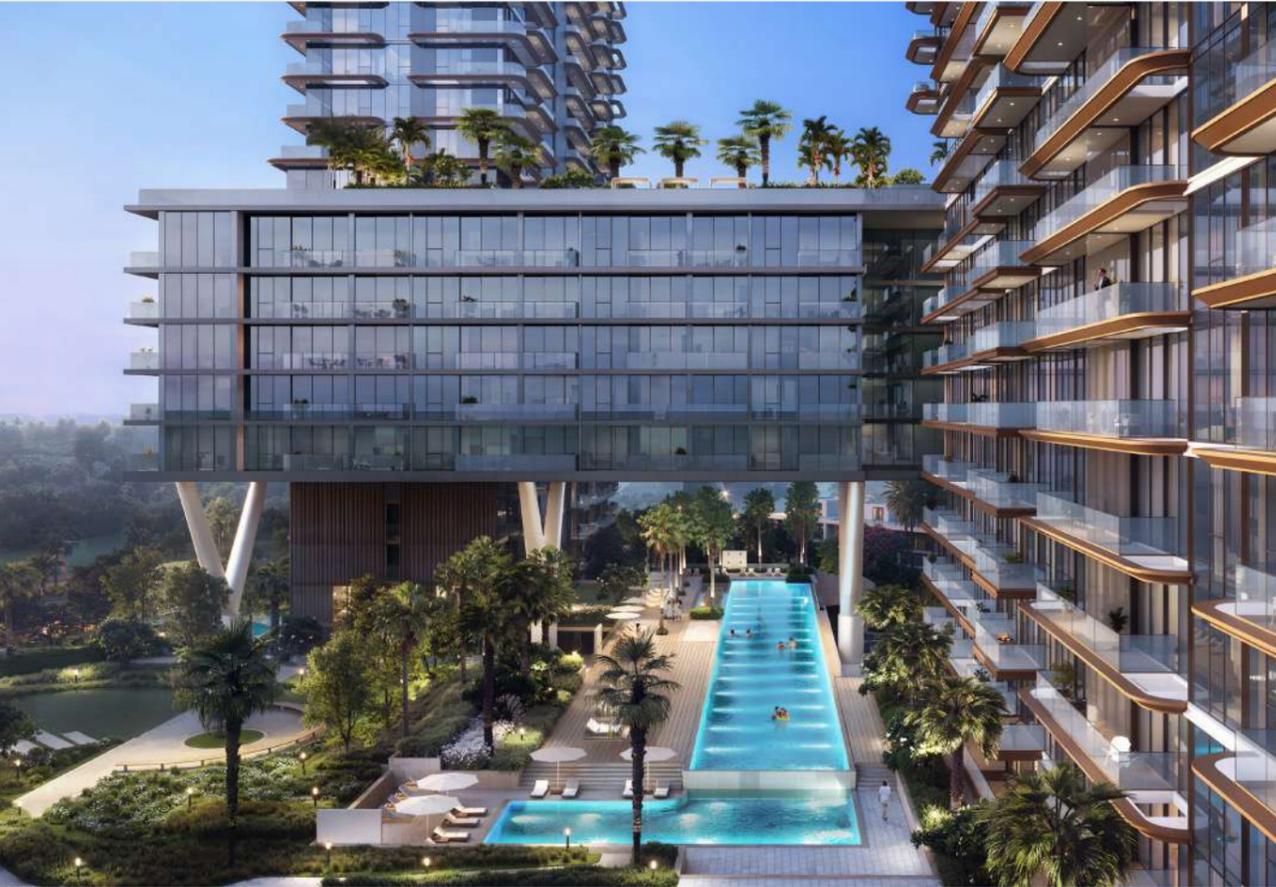

KIDS PLAY AREA

Inspired by the dramatic landscape of Ras Al Khaimah's mountains, the children's play area is designed as a safe and imaginative retreat. With calming tones, interactive features, and dedicated facilities, it nurtures creativity, exploration, and play in an environment tailored for young residents.

GAMES ROOM

The arcade room brings leisure and nostalgia together. Classic games, interactive experiences, and relaxed lounge seating create a playful environment that invites both spirited competition and lighthearted moments with family and friends.

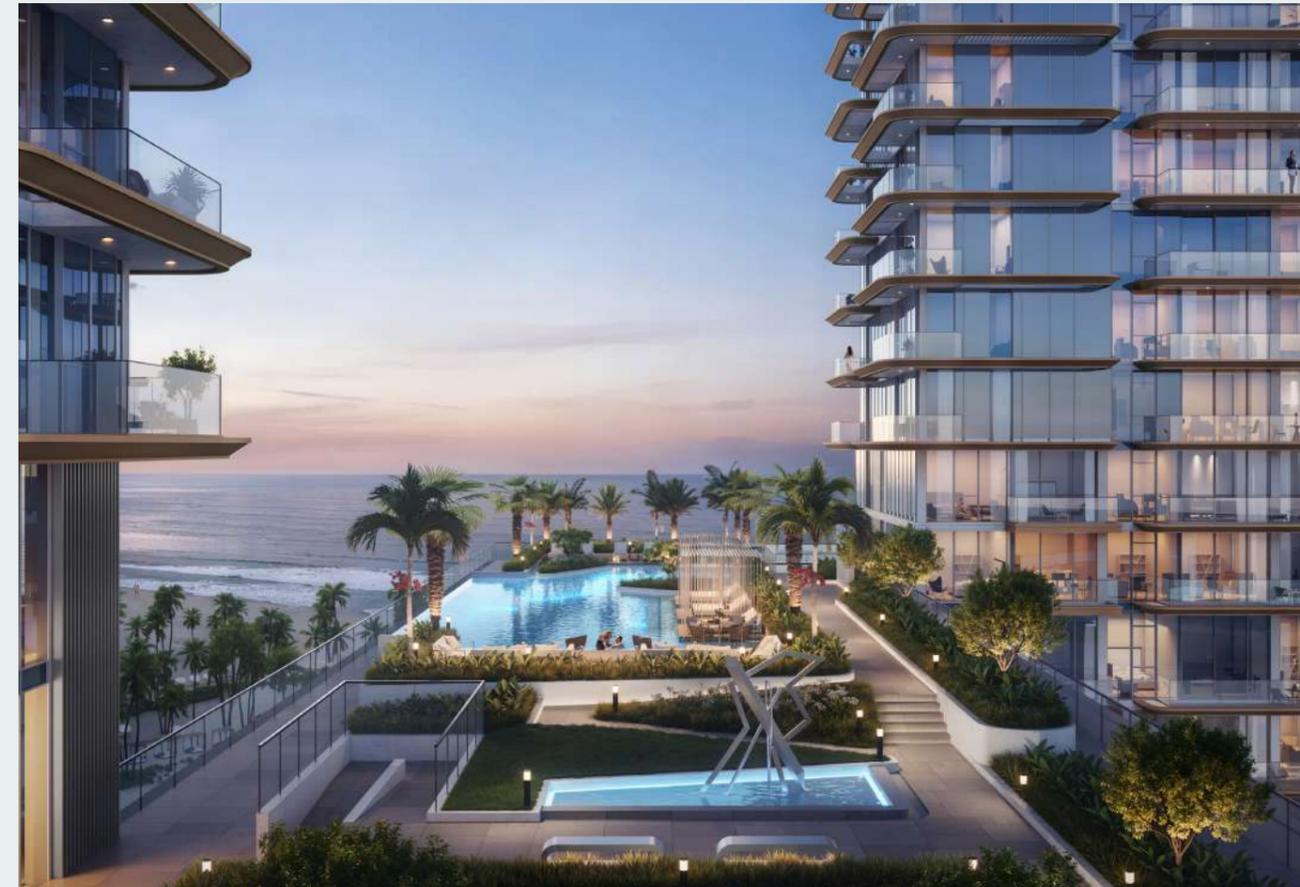

LAP POOL

Purpose-built for vitality, the lap pool offers a sleek, uninterrupted space for exercise and flow. Surrounded by landscaped greenery, it turns swimming into a daily ritual of clarity and focus, whether for training or relaxation.

LEISURE POOL

A tranquil escape at the heart of Soto Grande, the leisure pool is surrounded by greenery, shaded cabanas, and inviting loungers. Designed for calm moments and casual gatherings, it offers residents a place to relax, refresh, and enjoy the ease of outdoor living.

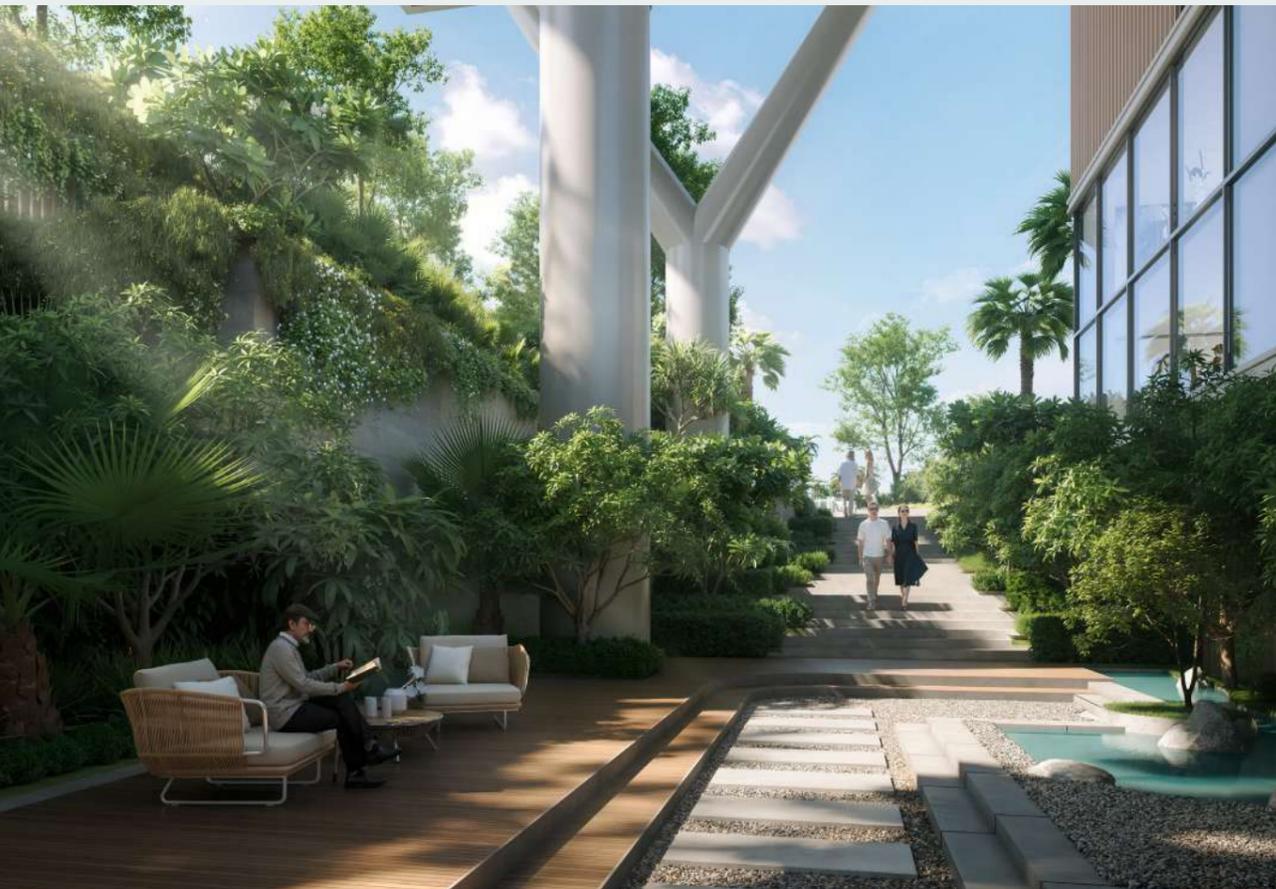

EVERY ANGLE, A NEW PERSPECTIVE

Every residence in Soto Grande is designed to maximize its outlook. Sweeping panoramas of the Arabian Gulf, the Al Hamra lagoon, and the rolling greens of the golf course unfold from expansive windows and generous balconies. These uninterrupted views create a living experience shaped by light, openness, and the natural beauty of Ras Al Khaimah.

COURTYARD

The courtyard serves as an open-air retreat. Landscaped greenery, shaded seating, and water-inspired features create a communal space designed for relaxation, social interaction, and quiet reflection.

KITCHEN

Soto Grande's kitchens blend artistry with function. Flowing countertops, bronze accents, and integrated appliances elevate the space, while a central island anchors the room as both a culinary workspace and a social hub. Every detail reflects a commitment to beauty, practicality, and modern living.

LIVING ROOM

Expansive living rooms form the core of each residence. With open layouts, large-format flooring, and floor-to-ceiling windows, they are designed to be adaptable - spaces equally suited for elegant entertaining or quiet moments of retreat.

BATHROOM

Bathrooms pair modern practicality with refined design. Rain showers, stone-effect counters, and warm finishes transform daily rituals into soothing experiences. Subtle lighting enhances comfort and clarity, making every routine a moment of calm.

BEDROOM

Bedrooms at Soto Grande are designed as personal sanctuaries. Expansive windows invite natural light, while soft textures and thoughtful lighting create a warm and restorative atmosphere. Walk-in wardrobes and feature shelving merge storage with style, elevating the everyday.
