

The background of the entire page is a photograph of a body of water, likely a lake or a wide river. The water is a deep, calm blue-grey color with subtle ripples. In the foreground, at the bottom of the frame, there are tall, dry, golden-brown reeds or grasses that are slightly out of focus, creating a sense of depth. The overall mood is serene and natural.

VILLA TYPES & SPECIFICATIONS

An aerial photograph of a vast, deep blue lagoon. The water transitions from a lighter turquoise near the bottom to a darker blue further out. In the lower-left corner, a small boat with several people is visible. The bottom edge of the frame shows a lush, green shoreline with dense tropical vegetation. The overall scene is serene and picturesque, typical of a high-end resort advertisement.
