THE SHA STORY

**A STORY THAT TRANSFORMED HIS LIFE,
AND THAT OF MANY OTHERS**

SHA was born as a result of the personal experience of Mr Alfredo Bataller Parietti, who for thirty years suffered from digestive issues that conditioned his quality of life. Faced with a worrying diagnosis, he was fortunate enough to meet a doctor specialising in natural therapies and healthy eating (now a member of the SHA medical team), who found a solution to his illness.

Thanks to this recovery, Mr Alfredo Bataller decided to research natural therapies and healthy eating in order to share all this knowledge in a unique project that is today, SHA Wellness Clinic; a pioneering wellness clinic worldwide, where Eastern wisdom is integrated with the latest advances in Western medicine to improve people's health from an integrative point of view.

But his vision went even further, conceiving a plan for building an exclusive residential complex next to SHA, where you can enjoy all the health and wellness services offered by SHA Wellness Clinic in the privacy of your own residence.
