# WELCOME TO COVENTRY RESIDENCE III

## SERENE AND CONVENIENT LIVING

Coventry Residence III, located in the DIC area in the south of Dubai, offers a perfect blend of tranquil atmosphere and modern urban infrastructure. The building consists of two parking levels and five residential floors, with various amenities provided for residents on the open terrace of the first floor and the upper level of the rooftop. This place is designed for comfortable living in a peaceful environment, away from the city's hustle and bustle

# LOCATION

## CALM LIVING WITH CONVENIENT ACCESS

Coventry Residence III is located in the southern part of Dubai, in the DIC district — a quiet and secluded area, protected from the city's hustle and noise. Here, a calm and comfortable atmosphere is preserved, allowing residents to fully relax and enjoy the tranquility after a busy day. At the same time, the complex offers convenient and quick access to major transport routes, making it easy to reach key areas and business centers of the city. This combination of peaceful living and modern infrastructure makes Coventry Residence III the ideal choice for those seeking a balance between calmness and an active urban lifestyle

# PROXIMATE LOCATIONS

## TRANSPORT ACCESSIBILITY

# WHY DUBAI SOUTH

## HOME TO THE WORLD'S LARGEST FUTURE AIRPORT

Dubai South hosts Al Maktoum International Airport, which will become the world's largest airport with a planned capacity of 260 million passengers annually. This major global aviation hub will anchor tourism, trade, and business activity in the area

## ETIHAD RAIL INTEGRATION ENHANCING CONNECTIVITY

Dubai South is part of the Etihad Rail network, linking it directly to Abu Dhabi, Dubai, Sharjah, and eventually the wider GCC. This strategic rail connection will drastically reduce travel time for people and cargo, improving accessibility and logistics for investors and residents

## MASSIVE MASTER-PLANNED DEVELOPMENT

Spanning 145 square kilometers, Dubai South is a government-backed master community designed to house over 1 million residents and create 500,000 jobs, supporting a self-sustaining urban ecosystem built around live-work-play principles

## EXPO 2020 LEGACY – DISTRICT 2020 TRANSFORMATION

The former Expo 2020 site is evolving into District 2020 – a global innovation hub for tech, R&D, and smart mobility. It is attracting multinational companies, startups, and skilled professionals, driving long-term real estate demand

## FREE ZONE & BUSINESS-FRIENDLY ENVIRONMENT

Dubai South features multiple free zones, offering:

- 100% foreign ownership
- 0% corporate and income tax
- Streamlined company setup

This pro-investor environment attracts global companies across aviation, logistics, and e-commerce sectors

## CENTRAL LOGISTICS AND TRADE GATEWAY

Situated between Jebel Ali Port and Al Maktoum Airport, Dubai South is part of the Dubai Logistics Corridor, enabling seamless air-sea-land freight movement. It's a preferred hub for global trade and distribution companies

## HIGH DEMAND FOR RESIDENTIAL AND WORKFORCE HOUSING

With thousands of businesses and employees operating in the area, there is growing demand for affordable, well-planned housing

## INFRASTRUCTURE-READY & SMART CITY FEATURES

- Smart traffic systems
- Sustainable energy networks
- Digital building standards

This supports eco-conscious living and business operations, aligning with Dubai's long-term sustainability goals

## GOVERNMENT-LED VISION AND STABILITY

Backed by the Dubai Government, Dubai South is a key pillar of Dubai's 2040 Urban Master Plan, ensuring continuous growth, policy support, and infrastructure funding. This enhances investor confidence and long-term stability

# DIC: GROWTH, ACCESS, VALUE

## AFFORDABLE LIVING IN A STRATEGIC LOCATION

DIC offers residents cost-effective housing options with close proximity to major business hubs like Dubai South, Al Maktoum Airport, and Jebel Ali, providing easy access without the high city center costs

## HIGH RENTAL DEMAND = STRONG ROI

With thousands of workers and professionals based in and around the industrial zones, the demand for nearby accommodation is consistent, offering stable rental returns for investors

## MIXED-USE, SELF- CONTAINED COMMUNITY

DIC is more than just an industrial zone. It includes residential clusters, retail centers, medical clinics, supermarkets, mosques, and parks, making it a fully functional community for daily life

## WELL-PLANNED INFRASTRUCTURE

The community is built with modern roads, utilities, and smart infrastructure, ensuring reliable services and efficient connectivity for both residents and business owners

## FAMILY-FRIENDLY ENVIRONMENT

The area is planned to include green spaces, play areas, and recreational zones, making it suitable not only for workers but also for families seeking peace, space, and safety

## EXCELLENT CONNECTIVITY ACROSS DUBAI

Located on Emirates Road (E611), DIC provides quick access to key destinations like Downtown Dubai, Dubai Marina, and Abu Dhabi, with minimal traffic congestion

## GROWING COMMUNITY WITH FUTURE UPSIDE

As part of Dubai's 2030 industrial vision, DIC is set for long-term growth, which means capital appreciation opportunities for early property investors

## OPPORTUNITY FOR CORPORATE HOUSING INVESTMENT

Companies in the area often seek bulk residential units for their staff — creating a unique opportunity for landlords to secure long-term lease agreements with corporate tenants

## SUPPORTED BY GOVERNMENT

DIC is part of a larger master plan by Dubai Holding and TECOM, ensuring ongoing support, upgrades, and infrastructure improvements — giving investors and residents confidence and long-term security

# ARCHITECTURE

The architecture of Coventry Residence III reflects a modern approach to urban living, emphasizing style, functionality, and harmony with the surroundings. The facade features a refined yet striking design, combining high-quality materials such as glass, metal, and brick. Its low-rise structure creates a welcoming, human-scale presence, while panoramic glazing allows for abundant natural light and a sense of openness. Dynamic horizontal lines on the façade and rooftop add rhythm and character, giving the building a distinctive and memorable appearance. Coventry Residence III features ergonomic, comfortable, and thoughtfully designed apartment layouts for modern living

- STUDIOS,
- 1 BEDROOM

# BUILDING CONCEPT

## TWO BUILDING VOLUMES

The concept of Coventry Residence III is based on the combination of two architectural volumes, each serving a distinct function. The first volume is the podium, which houses the main entrance lobby and parking area, part of which extends underground. On the accessible rooftop of the podium, a variety of leisure amenities are provided, including swimming pools, sun loungers, and cozy lounge areas. The second volume is the residential section, which rises organically from the podium and extends five floors upwards. On the rooftop of the residential part, additional amenities are available exclusively for residents, including sports areas, an open-air cinema, and a dedicated barbecue zone — all designed to support an active and social lifestyle in a comfortable setting

# PODIUM ROOFTOP

## LAZY RIVER

On the rooftop of the podium at Coventry Residence III, a unique leisure zone features a lazy river — a decorative water stream that gently flows across the terrace. Along its path, a kids pool, splash pad, and several cozy sitting areas are seamlessly integrated. Blending water elements with lush greenery, the space evokes the feeling of a natural oasis — a serene escape from the urban rush. There is also a Jogging track along the perimeter.

## SWIMMING POOL AREA

Also on the rooftop of the podium at the building, a thoughtfully designed leisure area offers the perfect setting for relaxation and social gatherings. It features a stylish swimming pool surrounded by sun loungers and greenery, along with sunken seating areas with fire pits that create a cozy evening ambiance. The space is complemented by shallow decorative ponds, comfortable sitting zones, a gazebo, and lush landscaping that gives the entire area the feel of a private garden in the city.

## ROOFTOP LIFESTYLE EXPERIENCE

At the highest level of the building, residents have access to a premium rooftop amenities zone designed for both relaxation and activity. This open-air space includes an outdoor cinema, a BBQ area, and several inviting sitting areas perfect for social gatherings or quiet moments. In addition to the outdoor features, the rooftop also offers enclosed facilities such as a multi-purpose hall, a fully equipped gym, an indoor games room, and a dedicated yoga and meditation room — creating a balanced environment for wellness, entertainment, and community.

# ENTRANCE LOBBY

## ELEGANT ARRIVAL EXPERIENCE

The main lobby of Coventry Residence III welcomes residents and guests with a double-height ceiling that immediately impresses with its grandeur and scale. At the heart of the space stands a striking tree installation, crowned by a stunning chandelier made of glass and metal in the shape of leaves. Along the perimeter, comfortable seating areas with armchairs and sofas offer a cozy and private atmosphere. The lobby flows seamlessly into the elevator hall, while a dedicated reception desk ensures residents are warmly greeted and assisted.

# GYM

## PANORAMIC FITNESS STUDIO

The gym is located on the topmost level of the building, offering a truly elevated and energizing fitness experience. Outfitted with state-of-the-art training equipment, it caters to a wide range of workout needs — from cardio and strength training to stretching and mobility. Floor-to-ceiling panoramic windows flood the space with natural light and open up to breathtaking views of the city skyline, turning every workout into a visually inspiring and motivating experience. The design promotes focus, energy, and well-being, making it an ideal space to maintain a healthy and active lifestyle

# GYM

## ROOFTOP GAMING LOUNGE

The gaming room, located on the rooftop level, offers a relaxed social atmosphere with a dedicated billiards area and a cozy lounge space. Outfitted with a large-screen TV and a gaming console, the room invites residents to unwind, connect, and enjoy friendly competition in a stylish, comfortable setting
