A SYMPHONY OF COAST AND CULTURE

OVERVIEW

Dubai Harbour Residences is a refined collection of beachfront residences, carefully crafted with the joys of hosting and superior liveability in mind. Situated in a prime position in the heart of Dubai Harbour, these exquisite homes benefit from rich culture, seafront delights, and the exceptional lifestyle offerings of their carefully curated district, Dubai Harbour.

AMENITIES

THE RESIDENCES

The Dubai Harbour Residences are located in a prime position within the vibrant seafront district of Dubai Harbour, at the intersection of the iconic Palm Jumeirah and Bluewaters Island. A newly constructed bridge will enable fast and direct access to Sheikh Zayed Road, a highway that provides easy access to Dubai's districts and destinations. With close proximity to world-famous attractions such as the Burj Al Arab and Ain Dubai, these residences are perfectly positioned for connectivity.

DUBAI HARBOUR

Dubai Harbour is an extraordinary seafront district that seamlessly merges a wide range of dining, retail, hospitality, and living experiences. Surrounded by open seas, it is a destination for those with an appreciation for nature, maritime exploration, and ocean activities. The district has a dedicated Yacht Club, Pier Club, and the region's largest marina with comprehensive berthing facilities. Walkable trails connect leisure, culture, and the coast in this carefully curated district.

As the owning company and curator, Shamil Holding is investing its resources to be the driving force behind making Dubai Harbour an exceptional seafront district.

TEAM

SHAMAL HOLDING

Born in Dubai, Shamil Holding is a diversified investment firm that manages a unique portfolio of extraordinary investments, experiences and assets, across real estate, hospitality, and leisure. The real estate portfolio spans master communities, districts, residences, retail hubs, and commercial spaces, delivering unique developments such as Nad Al Sheba Gardens. Shamil Holding owns some of Dubai's most unique and iconic leisure and entertainment destinations, making strategic investments that mirror the city's ambition, spirit, and energy. The firm is the owner of both Dubai Harbour and Dubai Harbour Residences.

H&H DEVELOPMENT

H&H Development, founded in 2007, has since evolved into a prominent developer, asset manager, and investor in Dubai's real estate market with a rapidly expanding portfolio. The company specialises in offering customised, comprehensive turnkey developments, with a vision to transform modern living through projects that adhere to the highest standards of quality, backed by cutting-edge design.

The development of the Four Seasons Hotel Dubai in DIFC, and Four Seasons Resort Dubai at Jumeirah Beach, two premium landmarks in the city's hospitality sector, exemplifies H&H's approach to crafting opulent experiences. The company's further projects, including Alia Developments DIFC and Eden House, also exhibit H&H's commitment to excellence in development.

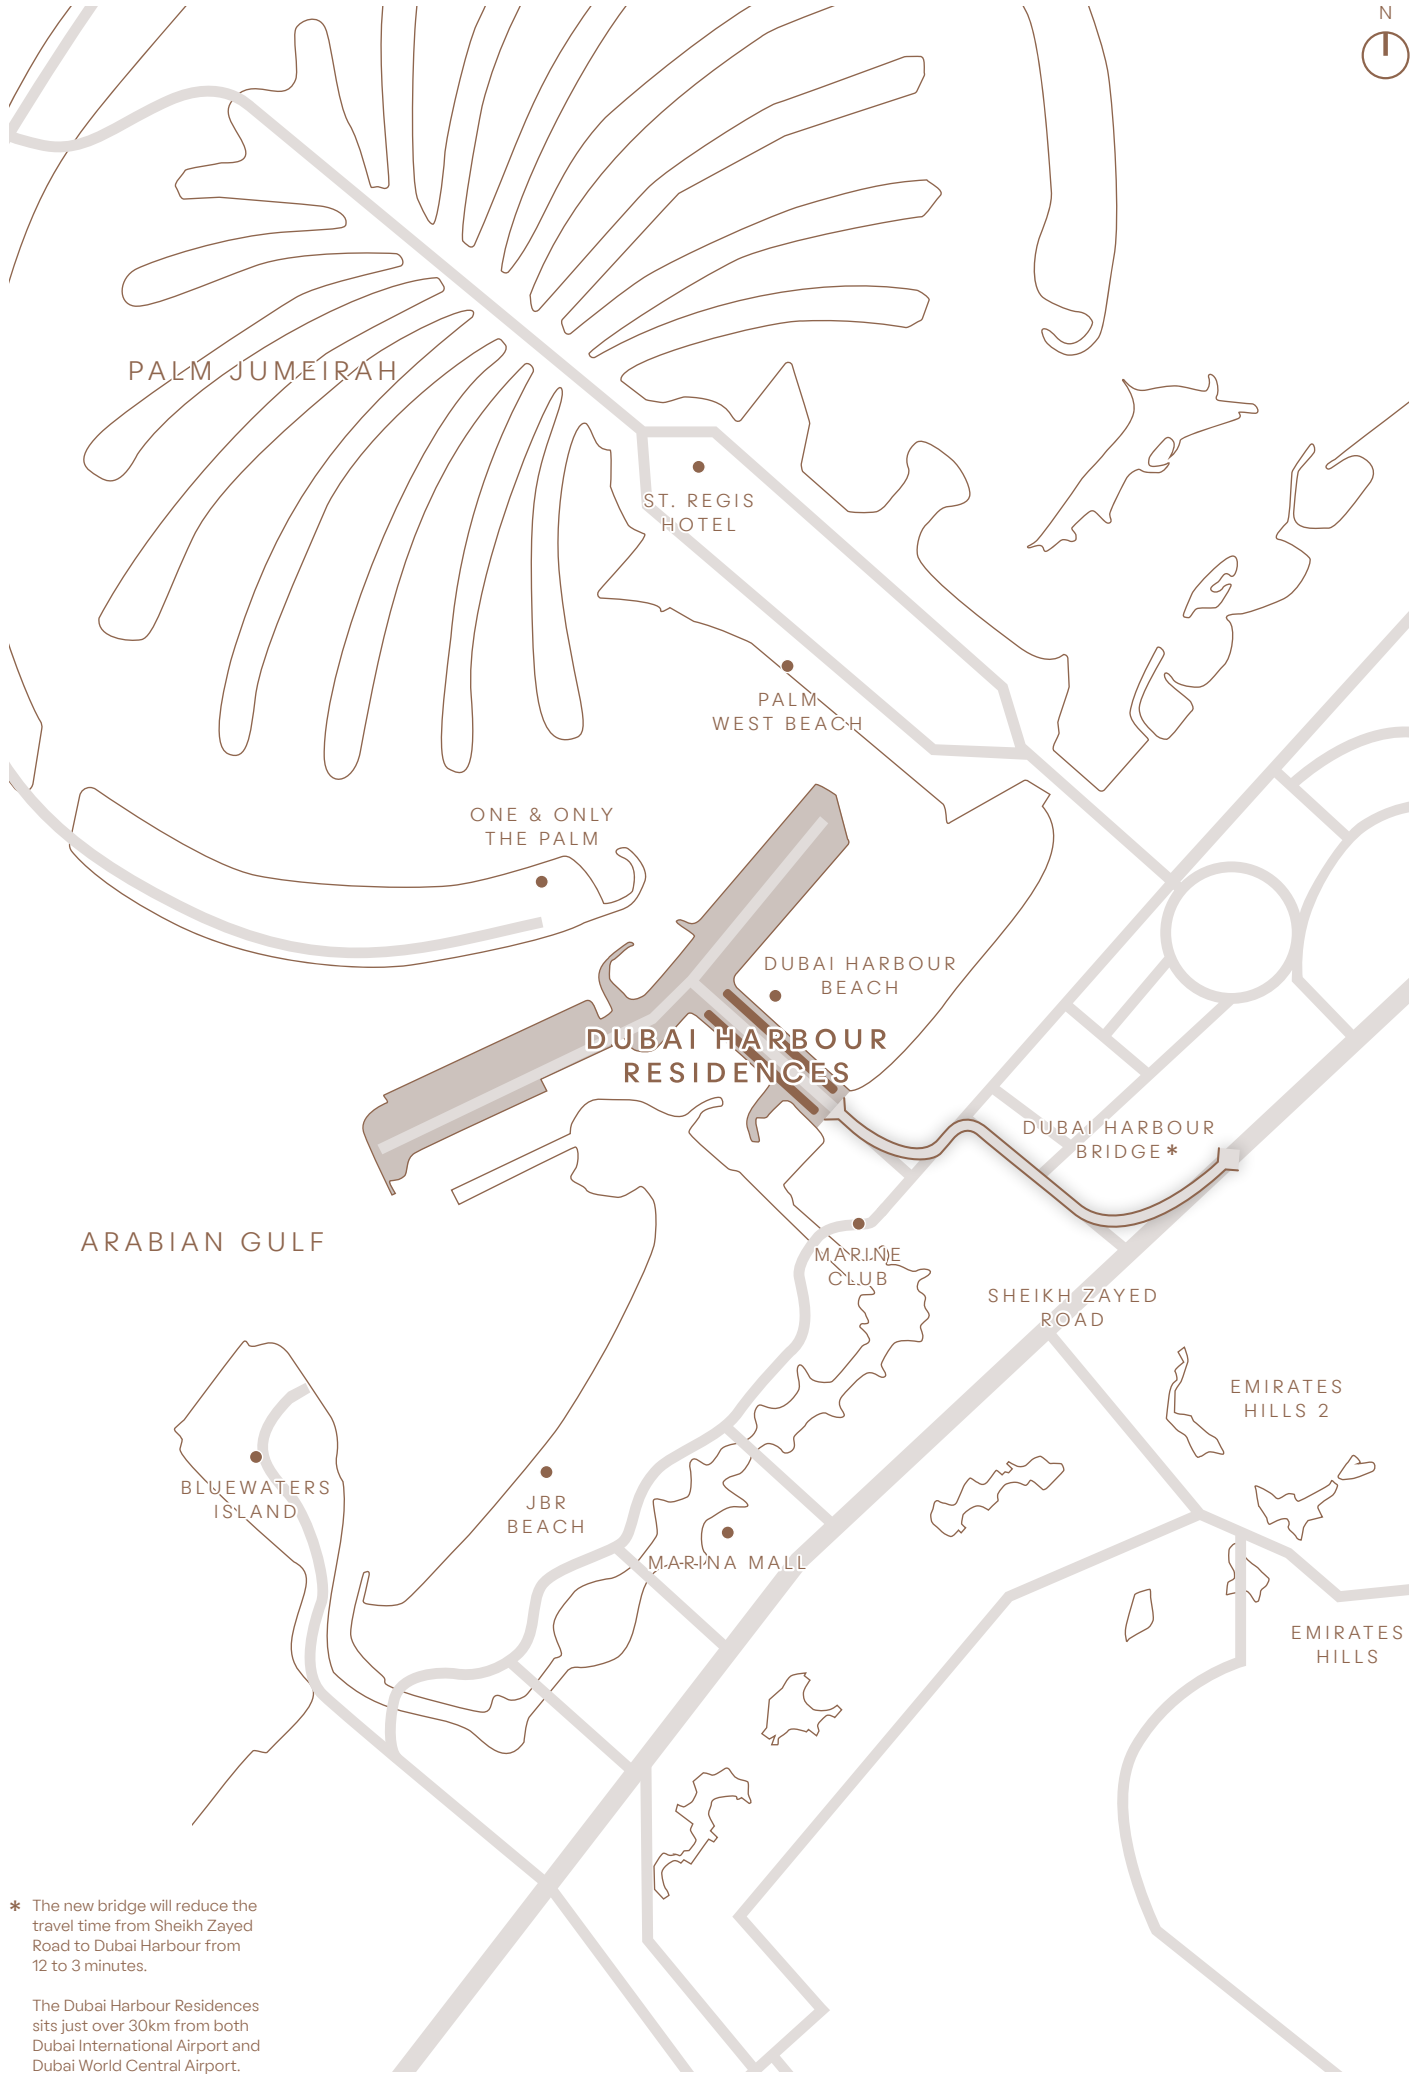

NIKKEN SEKKEI

A prominent and internationally acclaimed architectural firm celebrated for its innovative approach to design. Based in Dubai, it has designed residences, hotels, masterplans, and cultural institutions in Japan, China, Hong Kong, the Kingdom of Saudi Arabia, and the United Arab Emirates, most recently the extraordinary One Za'abeel.
