

Sculpted for
modern living.

COMING SOON TO JVC

Project Overview

Two interconnected towers with a shared podium comprising 528 properties.

Tower A (302 units) | Tower B (226 units)

All apartments will be built and finished to high quality standards and residents will benefit from direct access to premium lifestyle facilities.

Your Wellness Haven

Nestled within the vibrant community of JVC in District 15, surrounded by parks, the project offers the ultimate in wellness with over 40,000 sq.ft of lifestyle & sports amenities at your fingertips.

Within close proximity to parks, schools, colleges, medical facilities, malls and sports and leisure attractions, this is the perfect address for professionals and families.

The project provides easy access to Al Khail Road, Sheikh Mohammed Bin Zayed Road and Sheikh Zayed Road and will benefit from future metro expansion set to enhance JVC's access to the rest of Dubai.
