RESIDENTIAL BUILDING

International City

International City

spacious studios and one-bedroom apartments, spread throughout ten distinctly themed precincts, residents can enjoy a range of sports facilities, lush communal green spaces, and the tranquil environment of the lake, together with efficient community infrastructure

The development also houses over 5,000 retail units on the ground floors of the 387 buildings, offering a range of essential community services and stores, from cozy cafés and restaurants to conveniently located supermarkets aundries, and offices. International City is ideally located to make accessing all areas of Dubai as convenient as possible, making it an exquisite oasis that is perfect for living and for business
