ORCHARD THE PHASE 2

ULTIMATE WAY OF LIVING Modern and comfortable

Following the tremendous success of the initial phase and the unveiling of the first architectural concepts for The Orchard Place's two towers, we are thrilled to usher in the Second Chapter of The Orchard Place development. This exciting phase introduces three new forthcoming towers, which will contribute to the establishment of the most expansive internal community in Jumeirah Village Circle (JVC). Comprising over 1,050 apartments, in excess of 1,500 parking spaces, an array of restaurants, state-of-the-art office amenities, and well-equipped fitness centers, the Second Chapter of Orchard Place promises a comprehensive living experience.

We extend a warm welcome to prospective homeowners, vendors, and partners to join us in exploring the exceptional facilities that will encompass the stunning central park in the heart of JVC.

DESIGNER APPROACH

Designed for life

The Orchard Place above all is an idea – create a convenient, relaxed place in the heart of the crowded city to live your life to the fullest, without distractions. Surrounded by three delightful gardens and set in greenery The Orchard Place offers a unique living environment. The development was carefully crafted to cater to the pickiest residents. Every aspect of the development serves one purpose – to deliver maximum comfort to the residents.

THE ORCHARD PLACE PHASE 2

THE ORCHARD

The cozy place to live in the middle of the park Surrounded by three gardens

From three sides surrounded by the Gardens of Jumeirah Village Circle, **The Orchard Place** offers a unique atmosphere for living. When everyday problems get out of your way, life becomes more exciting and enjoyable. With this notion, we have created a skyscraper that fully complies with New York standards.

TOWNHOUSE APARTMENT Type two

The apartment allocated on the L1 floor has a convenient location and easy access to the landscape and public pool. The first floor of the two-level apartments offer spacious, double-height ceiling living room, open kitchen, laundry, maid's room and ensuite. The living room and ensuite bedroom have access to the oversized terrace with floor level built-in pool. The terrace with the pool, plentiful space and greenery is designed to deliver maximum comfort to owners. The overall design is set to create the ultimate essence of modern luxury. The Kitchen serving as a design element itself is solved in a semi-matt finish with glass vitrines with integrated LED lighting.

An isolated and comfortable sitting arrangement near TV unit along with an open kitchen and separate dining zone is carefully crafted to deliver comfort and convenience. The TV wall and decorative shelving bridge functionality with aesthetics. In the living room an oversized elegant chandelier complements the design. The second floor offers a nice sitting arrangement that overlooks the living area, a master bedroom and a spacious ensuite bedroom. The master bedroom offers a walk-in closet and spacious bathroom with a bathtub, bidet and double vanities. The textile wallpaper in the bedroom delivers the sense of comfort and luxury. All the bathrooms are in a serene color pallet with high-quality materials and Italian fixtures.

The open layout and floor-to-ceiling windows fill the apartment with light, making it bright and airy. A serene color scheme creates a smoothing atmosphere. Quality materials and appliances are used in all areas. In the apartment, high-quality laminated flooring, a wooden veneered closet, a semi-matt colored kitchen with quality in-built appliances, artificial stone and ceramic tiling, creating a harmonious and outstanding space for the owner's comfort.
